a/e ProNet David W. Lakamp AIA Scholarship

This scholarship was initiated in 1990 by a/e ProNet, a group of insurance professionals providing risk management services to architects and engineers. In 1999, the scholarship was renamed for David W. Lakamp. Mr. Lakamp was a founder of a/e ProNet and a trusted advisor to the profession. He left behind a legacy of professionalism and integrity that set new standards in the field of insurance services.

The scholarship is open to architecture students pursuing a NAAB accredited professional degree program. Submissions are reviewed by a jury panel that consists of members of the AIA Practice Management Knowledge Community (PMKC) and the a/e ProNet organization. Interested candidates must submit a copy of their transcripts, a current resume, two letters of recommendation, and an essay on how they would resolve a project management dilemma.

The 2016 a/e ProNet David W. Lakamp AIA Scholarship application is available online. The deadline for application and supporting materials is March 1, 2016. Two students will receive an award of \$5,000 award each to go towards university tuition and fees.
