

U.S. Department of Commerce Webinar **Architecture Services Trade Mission to Qatar and Saudi Arabia**

PLEASE JOIN US!

We invite you to participate in a Free webinar on August 20, 2014 to learn more about opportunities for architecture services and the trade mission to Qatar with an optional stop in Saudi Arabia.

Doing business in the Gulf region is based on building personal relationships. Speakers will include firms actually working in the countries, and who will address the business climate and culture.

Opportunities & Doing Business in Qatar

Qatar is spending over \$250 billion on physical infrastructure and other developments over the next 5 years with its 2030 Vision plan combined with the award of the 2022 FIFA World Cup. Best prospects include:

- Mass transit related facilities (light rail and subway);
- Stadiums & other entertainment venues;
- Schools;
- Hospitals; and
- Commercial facilities.

Opportunities & Doing Business in Saudi Arabia

Demands for AEC services in Saudi Arabia has been expanding on average 9% per annum. The FY2014 budget projects government spending at \$219 billion. Best prospects include:

- Master planning
- Entertainment and hospitality venues;
- Hospitals;
- Schools; and
- Commercial facilities.
