

**1994 – 2014**

**Interdisciplinary Design for the Built Environment**

## **20th anniversary competition: Win a scholarship for full tuition fees!**

IDBE is a transformative part-time master's course at the University of Cambridge, for global practitioners working in the built environment. Through intensive, themed residential weeks we deliver a bespoke learning experience which develops individual and professional skills in multidisciplinary teamwork, the design process and individual research. For 20 years we have been equipping our graduates with enhanced skills, knowledge and professional networks to solve the challenges facing our industry by becoming innovative, dynamic and successful leaders.

The scholarship will cover full tuition fees for the two-year course, for entry in September 2014, currently worth £11,200. The winner will be selected through an assessment of the following required submissions:

1. a covering letter
2. a research proposal
3. evidence of academic and professional achievement  
(your CV and transcripts for degrees gained)
4. two written references

The closing date for competition entry is June 15th, 2014.

The winner will be notified by June 30th, 2014 and must be able to complete registration and start in September 2014 to receive the award. The closing date for all applications is July 31st, 2014.
