

STRATEGIC PLAN 2021 – 2025

MISSION

Inspire and empower architects to improve society and transform the world.

VISION

Drive positive change through the power of design and focused activism.

CORE VALUES

Impactful / Transformative / Visionary / Inclusive / Innovative

PRIORITY: Climate Action for Human and Ecological Health

STRATEGIES

Mobilize for Impact

Focus and align programs, services, structures and resources to develop innovative solutions to the world's most pressing challenges.

Educate and Prepare

Equip architects for success: transform architecture education, expand access to the profession, cultivate a learning culture, and develop leadership.

Advance Knowledge

Knowledge is our currency. Generate, curate, and disseminate knowledge required for success.

Broaden the Tent

Collaborate with design, construction, community leaders and stakeholders. Organize and activate grassroots advocates.

IMPERATIVES

EMPHASIZE

Climate Action: Build impact by focusing on Climate Action and positioning architects as community leaders to drive widescale adoption of practical design solutions that will rapidly address and mitigate the impacts of climate change.

OPTIMIZE

Role of the Architect: Optimize architects' presence and impact by equipping and preparing them to serve as conveners, collaborators, civic leaders, and change agents in developing and delivering solutions to society's most pressing needs.

REVOLUTIONIZE

Research and Technology: Leverage emerging technologies to accelerate architecture's progression to a knowledge-driven discipline and evidence-based, transformative solutions. Harness an intra/entrepreneurial start-up mentality to foster rapid innovation.

Architectural Education: Make architectural education more responsive to emerging trends, more inclusive of underserved audiences, and more oriented toward the future role of the architect.

CATALYZE

Equity: Foster diversity and inclusion in the profession, and advance the health, safety and welfare of our communities through design and advocacy for lasting solutions in our built environments.
