

INTERNATIONAL
COMPETITIONS**CIO HEADQUARTERS' EXTENSION: CALL FOR CANDIDATURES**

The international Olympic Committee (IOC) announces an international architectural competition for the extension of its headquarters in Lausanne, Switzerland and invites **architects worldwide to submit a candidature** with a view to participating in the competition. **12 teams will be invited to participate in the competition.**

In conformity with the UNESCO-UIA regulations for international architecture and town planning competitions, it has been approved by the UIA.

The programme concerns the extension of the headquarters for 450 staff members with a ground surface area of **18 000 m²** and a plan for the development of an "Olympic Campus" housing administrative buildings, dwellings, accommodation and services. The surface area of the plot available to the IOC is 24 000 m² on a **high quality natural site in the immediate vicinity of Vidy castle.**

PARTICIPATION PROCEDURE

Candidates may download the documents and the terms of submission on the IOC site at the following address:

<http://www.olympic.org/concours-architecture?tab=Documents-a-telecharger>

The candidature file (CF), duly completed and signed must reach the following address in both hard copy form (bound and with numbered pages), in 3 copies, and electronic form (CD ROM or USB stick), **no later than 15 May 2013 by 11:00:**

INTERNATIONAL OLYMPIC COMMITTEE

Château de Vidy
CH-1007 Lausanne
