SECRETARY OF COMMERCE TO LEAD MIDDLE EAST INFRASTRUCTURE TRADE MISSION

United Arab Emirates - Saudi Arabia - Qatar | March 8-14, 2014

Secretary of Commerce Penny Pritzker will lead a senior-executive Business Development Mission to the Gulf Cooperation Countries (GCC) of the United Arab Emirates, Saudi Arabia and Qatar. This mission will highlight export opportunities for U.S. businesses in three leading industry sectors with an emphasis on project management and engineering (including construction, architecture and design), renewable energy (solar, wind, waste-to-energy), smart grid and energy efficiency, and environmental technologies (including water/wastewater; air pollution control; and waste management). The Department of Commerce will select 20-25 U.S. companies from the applicant pool to participate in this mission.

Please join us for a Webinar Discussing the Mission

The webinar will provide an overview of the objectives of the mission and a brief discussion of economic and infrastructure opportunities in each of the countries to be visited during the mission. An opportunity for questions will take place at the end of the webinar.
