Richmond, Va.

2501 Monument Avenue • Richmond, VA 23220

Introducing a new seminar series on

Practice Management

Join us for a provocative, inspirational program of seminars that will challenge existing paradigms about the practice of architecture in the coming decade.

How do you start your own firm? How can creativity increase your bottom line? How do you transition ownership in an uncertain economy? What's the secret to good strategic planning? Hear the answers to these and other questions from some of the industry's leading practice management professionals.

Spaces are limited.

Registration opens on Aug. 26 at www.archex.net
