

## **Call for Nominations for the International Committee Advisory Group**

**Deadline: Friday, September 27, 2013**

The AIA IC is now soliciting applications for 2014 appointments to the committee's Advisory Group. All IC members are encouraged to consider this opportunity to serve in a leadership capacity.

### **Composition of the IC-AG**

One new member is appointed to the IC-AG each year, to replace one person completing his or her service. The term of AG membership is three or four years, depending on whether the member accepts to serve as chair and past-chair. This appointment is to commence in January 2014. The appointment is renewed annually by the president of the AIA.

AG members participate in monthly conference calls. In addition, each AG member is expected to participate in IC-sponsored conferences, symposia, and workshops, as well as the AIA National Convention.

### **Selection**

The current AG members review all applications and make a recommendation for appointment by the AIA president. Please review the selection criteria for new AG members.
