

# Welcome!

## Case Study: UCLA Outpatient Surgery and Oncology Center

### Design Award Case Study Series

Tuesday, December 13, 2016

2:00 pm – 3:00 pm ET

1:00 pm – 2:00 pm CT

12:00 am – 1:00 pm MT

11:00 am – 12:00 pm PT

#### Moderator

**John Kreidich**  
McCarthy Building  
Companies

#### Presenter

**Michael W. Folonis, FAIA**

THE AMERICAN INSTITUTE  
OF ARCHITECTS

Academy of Architecture  
for Health

Driving positive change  
through the power of design.

# Academy of Architecture for Health (AAH) On-line Professional Development

The Academy's multi-channel on-line approach provides emerging professionals, journeymen, and master professionals with convenient and economical opportunities to develop their chosen area of interest.

Case Study Series sessions are tailored to provide healthcare design professionals with examination of the why and how of award-winning designs.

THE AMERICAN INSTITUTE

# Compliance Statement

“AIA Knowledge” is a Registered Provider with The American Institute of Architects Continuing Education Systems (AIA/CES). Credit(s) earned on completion of this program will be reported to AIA/CES for AIA members. Certificates of Completion for both AIA members and non-AIA members are available upon request.

This program is registered with AIA/CES for continuing professional education. As such, it does not include content that may be deemed or construed to be an approval or endorsement by the AIA of any material of construction or any method or manner of handling, using, distributing, or dealing in any material or product.

Questions related to specific materials, methods, and services will be addressed at the conclusion of this presentation.

through the power of design.

# Course Objectives

1. Learn key planning concepts for ambulatory surgery centers
2. Learn key planning concepts for ambulatory cancer care centers
3. Understand ways to incorporate nature and natural light to create a healing environment
4. Gain an understanding of principles of a patient-focused environment

THE AMERICAN INSTITUTE

**Driving positive change  
through the power of design.**

# AIA/CES Reporting Details

All attendees will be eligible to receive:  
1 AIA LU/HSW (AIA continuing education)

In order to receive credit, each attendee must complete the webinar survey/report form **at the conclusion of the presentation.**

Follow the link provided:

- **in the Chat box** at the conclusion of the live presentation;
- **in the follow-up email** you (*or the person who registered your site*) will receive one hour after the webinar.

# Thank you for joining us today!

This concludes the AIA/CES Course **#AAH1604**. The webinar survey/report form URL is listed in the chat box **and** will be included in the follow-up email sent to you in the next hour. Earn 1 AIA LU/HSW.

**Survey Link: <http://bit.ly/2gcDXp4>.**

All attendees must report credit individually by completing the webinar survey/report form within the next 3 business days. Credit will automatically appear on your transcript within 2 weeks. **Tablet and smartphone users must copy down the above survey link.**

## AIA Academy of Architecture for Health

The AAH mission is to improve both the quality of healthcare design and the design of healthy communities by developing, documenting and disseminating knowledge; educating design practitioners and other related constituencies; advancing the practice of architecture; and affiliating and advocating with others that share these priorities.
