a/e ProNet David W. Lakamp AIA Scholarship

The a/e ProNet David W. Lakamp AIA Scholarship was initiated in 1990 by a/e ProNet, a group of insurance professionals providing risk management services to architects and engineers. David W. Lakamp, the scholarship's namesake, and a founder of a/e ProNet, left behind a legacy of professionalism and integrity that set new standards in the field of insurance services. The scholarship is open to all architecture students pursuing a NAAB accredited professional degree program. Submissions are reviewed by a jury panel that consists of members of the AIA Practice Management Knowledge Community (PMKC) and the a/e ProNet organization.
